Dates of Anticipated Work: Start Spring '21 Completion \_\_\_\_\_

**Description of Proposed Work:** (attach additional pages as necessary) Please include a description of how the proposed work (if a change or addition) is historically and architecturally compatible with the building and the District as a whole.

Replace 3 rear gutters with fiberglass gutters from Fiber Gutter.  
Existing condition is 1 wavy gutter (4x6, top) and 2 aluminum gutters  
(4x5, lower). Wavy gutter is deteriorated & leaking. All will be painted  
to match existing trim. All work towards rear of house.

### Required Documentation Acknowledgement: (see attached instructions)

I acknowledge that I am required to provide supporting documentation, including the attached "Supporting Documents Checklist", by the deadlines indicated in the instructions. I understand that if such documents are not provided in a timely manner, this application will be considered to be incomplete and Commission action may be delayed.

I have read the attached instructions and, to the best of my knowledge, the information contained in this application is accurate and complete. I also give permission for members of the AHDC to access the property for the purpose of reviewing this application and work done under any certificate issued to me.

## Fiberglass Gutter

"Specified by Architects and Approved by Contractors"

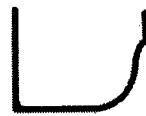

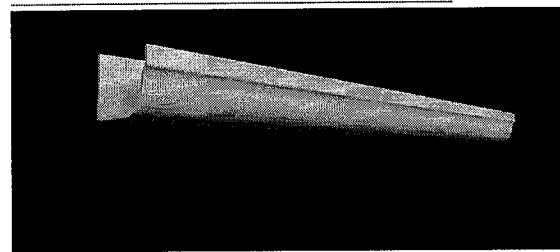

# Products

## FiberGutter Standard Profiles

Fiberglass Gutter is an exact representation of the traditional Boston Wood Gutter profile and has been approved in multiple historic district commissions throughout the United States.

FiberGutter features a UV protected, resin impregnated white finish to complement your home and lightweight yet strong fiberglass construction.

All standard 4x5 and 4x6 FiberGutter Profiles are manufactured in 16', 24' and 40' lengths

### Part: FG60

4X5 Fiberglass Gutter

*FG6016 - 16' Length*

*FG6024 - 24' Length*

*FG6040 - 40' Length*
